

Code of Conduct for the changing rooms

Old College Lawn Tennis Club ("the Club") is fully committed to safeguarding and promoting the well-being of all its members.

This code of conduct applies to all staff, coaches, volunteers, players, parents/carers and any other individuals associated with the Club. You are expected to abide by the following code of conduct when using the Club's changing rooms (as required by the Club's insurance package provided through the LTA):

Mobile phones, cameras and other recording devices

Mobile phones, cameras and other recording devices must not be used in the changing rooms.

Shared space

Adults and children should not use the changing rooms (to change or shower) at the same time so members are encouraged to come ready changed. Where this is not possible, adults must wait until a child has left the changing room before entering.

Supervision of children

Parents and carers are responsible for the supervision of children under the age of 8 years in the changing rooms.

In the absence of a parent or carer, children under the age of 8 years in the changing rooms should be supervised by an appropriately qualified person (DBS checked member of staff or volunteer will wait outside the changing room to allow for children to call for assistance if required).

Transgender and transitioning people

If we are made aware that a child or adult self-identifies as a gender that differs from the sex they were assigned at birth, we will work with them and their parents/carers (where it relates to a child) to make reasonable adjustments to changing arrangements to suit their needs.

Bullying and fighting

The Club will not tolerate bullying or fighting wherever it may happen on the Club premises (including the changing rooms). Instances of this will be dealt with by disciplinary action and possible expulsion from the Club.
